

Manya Deva Natan

Of Counsel – Los Angeles

Manya Deva Natan focuses exclusively on trust and estate matters. Ms. Natan has experience with estate planning and trust administration, including establishing revocable and irrevocable trusts, as well as initiating various probate proceedings. She often works with international clients, assisting with complex estates in which money and people move across sovereign borders.

Ms. Natan is also a published author in the area of health and wellness and has a particular expertise in the legal and financial components of health and well-being. She has been regularly invited by national news media outlets such as *Good Morning America* for commentary on health-related topics.
