

## Douglas J. Schneller

New York, United States and London, England

*Partner, Member Firm: Rimon PC*

Mr. Schneller specializes in matters of bankruptcy and creditor's rights and United Kingdom affairs. He handles a broad range of complex transactional matters involving bank finance and lending.

He counsels clients on transactional matters including trade and receivable finance, bankruptcy transactional matters, corporate trust and agency, structured products, private placements, portfolio management and monitoring and securities law matters. His clients consist of global and domestic banks, financial institutions, investment funds, companies and other parties including secured and unsecured creditors.

During the past several years, Mr. Schneller has advised numerous clients in connection with thousands of transactions in bank loans, trade claims, swap claims, notes and other securities and other financial instruments. In addition to his legal practice, at prior firms, he has been the sole representative responsible for establishing and running the London office, the New York local practice section leader for the global finance practice and the leader of the distressed investing and secondary trading practices.
