

Maurice Berkman

Mexico City, Mexico

Partner, Member Firm: Serrano Galicia Abogados

Mr. Berkman focuses on lending and capital markets transactions and securities regulation and is co-head of the capital markets and corporate finance practice groups.

He has represented companies and investment banks in domestic and cross-border equity and debt offerings, tender offers and securitizations, as well as borrowers and lenders in domestic and cross-border financings.

He is secretary of the board of directors of several Mexican companies, where he applies his knowledge and expertise in corporate governance and securities regulatory compliance.

He focuses on multiple industries, including hospitality, entertainment, financial services, retail, and real estate and advises clientele both in Mexico and across the border in matters dealing with traditional debt management and financing in the capital markets, as well as in securities regulation and has represented issuers and underwriters in equity and debt offerings, both in Mexico and across border in public acquisition offers and securitizations, and borrowers in national and cross-border financing.
