

Ricardo Garcia

Mexico City, Mexico

Partner, Member Firm: Serrano Galicia Abogados

Mr. Garcia focuses on Mergers and Acquisitions, Private Equity and Corporate Financing representing acquirers, sellers and targets in international, cross-border and local, private and public, strategic and competitive operations, mergers, acquisitions, joint ventures and other corporate matters for the main mercantile companies, private investment funds and family offices. He has broad expertise and experience in advising both lending and borrowing parties in secured and unsecured cross-border facilities, structuring and implementing Mexican securities' packages to facilitate clients' transactions.

His private investment practice also comprises representing international and local sponsors in performing debt and equity investments, as well as in forming domestic private equity funds tailor-made to address clients' particular demands.

As part of his finance practice, he has represented Mexican and foreign financial institutions and corporate borrowers in connection with domestic and international financial transactions, including leveraged finance, syndicated facilities, and acquisition finance transactions.
