

Ernesto Partida

Mexico City, Mexico

Partner, Member Firm: Serrano Galicia Abogados

Ms. Partida focuses on cross-border financings, project financing and development of infrastructure within the energy sectors, including petrochemical, natural gas and renewable energy projects representing both project sponsors and lenders.

He has also been involved in numerous energy project investments and acquisitions. Prior to joining Galicia, Ernesto spent several years engaged in civil, administrative and commercial litigation work. His prior experience in litigation gives him a different view and better understanding of the risk profile of his clients' transactions, complementing his project finance practice.
