

Rodrigo Rivera

Mexico City, Mexico

Partner, Member Firm: Serrano Galicia Abogados

Mr. Rivera focuses on banking and financial transactions. He represents both national and international banks as well as creditors from a range of industries and helps clients in the structuring and the negotiation of financing transactions including corporate financing, real estate financing, secured transactions, domestic and international financing, debt financing and restructuring, state and municipal financing and project financing. He has also helped banks and financial regulated entities to analyze and apply regulatory aspects of their business.

Mr. Rivera was previously in-house counsel in the corporate and investment banking department in one of the largest banks in Mexico.
