

Eugenio Sepulveda

Mexico City, Mexico

Partner, Member Firm: Serrano Galicia Abogados

Mr. Sepulveda focuses on restructuring and insolvency. His insolvency cases require a combination of transactional, regulatory and litigation skills.

He offers clients expert advice and seamless coordination of the different practice areas of the firm that get involved in highly complex restructuring and insolvency matters.

He has published several papers on the subject and lectured on the graduate program on corporate law at Universidad Autónoma de Nuevo León. His research spans from general insolvency treatises to analysis on the treatment of derivative transactions in bankruptcy.
