

Guillermo Plate

Argentina, Buenos Aires

Member Firm – Canosa Abogados

Mr. Guillermo Plate focuses on advising insurance companies on legal, regulatory and political matters. He also has broad experience in international law, corporate law, tax and anti-money laundering.

He was appointed Deputy Superintendent of the Argentine Superintendence of Insurance (SSN) by President Macri in 2017. Mr. Plate represented the SSN at the OECD Insurance and Pension Funds Committee, the International Association of Insurance Supervisors, the US National Association of Insurance Commissioners, the Latin American Insurance Supervisors Association and Argentina's Financial Regulation Counsel. The SSN supervises and regulates insurance companies (P&C, Life and Workers Compensation), local reinsurance companies, admitted international reinsurance companies as well as with brokers and intermediaries.

Mr. Plate worked to reform and modernize the Argentine insurance industry in collaboration with the US Treasury and the international insurance community. His team hosted the first ever G20 Insurance Forum (Bariloche 2018), the ASSAL-IAIS Insurance Seminar (Buenos Aires 2018) and the IAIS Global Seminar (Buenos Aires 2019).

Mr. Plate actively participated in the development of the Argentina-US Dialogue on Illicit Finances, which served as a key instrument for the bilateral strategic partnership among the two nations, and served as moderator and panelist/speaker at a number of local and international insurance events such as the Geneva Association General Assembly (Buenos Aires 2019), the 2019 LIMRA Loma Latin American conference (Mendoza 2019), the Academy of Exchange and Judicial Studies (New York Law School 2019) and ICMIF Moro (Montreal 2018) among others.

Before becoming Deputy Superintendent, Mr. Plate served as Vice Chairman of Provincia Aseguradora de Riesgos de Trabajo S.A., the largest workers compensation insurance company of Argentina, and advisor to the Board of Directors of Banco Provincia de Buenos Aires. Years earlier, he lived and worked in Barbados as an International Wealth Management
