

## Jimmy Rodríguez

Ecuador, Quito

*Associate Lawyer, Member Firm: Corral Rosales*

Jimmy Rodriguez focuses on the areas of Government Procurement and Dispute Resolution and the Infrastructure and Construction industry.

In Government Procurement, Mr. Rodriguez provides legal counsel to local and international clients in the pre-contractual, negotiation and execution stages of public contracts, especially infrastructure and construction. His counseling services also comprise auditing processes and special examinations by the control organizations of Ecuador.

In the area of Dispute Resolution, he manages negotiation and mediation processes with public and private entities. He represents parties in arbitration proceedings derived from public and private contracts related to construction, the procurement of goods and services and commercial contracts in general.
