

Anton Novikov

Moscow, Russia

Advisor, Member Firm: Regionservice

Mr. Novikov's practice focuses on matters of real estate and construction, dispute resolution, and ecology and nature management. His clients are in sectors such as industry and manufacturing, construction and development, tourism and rest and energy and natural resources.

With over 15 years of legal experience, Mr. Novikov specializes in resolving disputes over rights to real estate, subsurface and land use. He is also recognized by the Kommersant Publishing House as a lawyer specializing in construction and real estate, and is recommended by Best Lawyers in the Litigation category.

Before joining Regionservice, Mr. Novikov worked as an in-house lawyer at a large coal holding, as well as at a strategic enterprise that is part of the Rostect State Corporation.
